We are more than just a retirement community – we are part of the life of the town of Curtis!

Assisted Living

For seniors needing assistance with activities of daily living, the **Senior Living Choices Community** located in Curtis, Nebraska offers residential Assisted Living Suites. Our specially designed location offers a thoughtful architectural layout specially planned to promote a unique home-like environment for assisted living. You won't see a long hallway insight or anything that hints at an institutional atmosphere at the **Senior Living Choices Community**.

Assisted Living Apartment Amenities

We offer charming studio suites and spacious one-bedroom assisted living apartments all with private baths and well-designed kitchenettes complete with refrigerators and microwaves. These apartments can be furnished with your own special furniture and possessions or we also offer furnished units. All assisted living apartments come with free cable, Internet access, and all utilities (except telephone). Our senior-friendly building also offers intercom call assistance, unique waist-level gardens, wheelchair, and walker accessibility.

Services & Activities

At **Senior Living Choices Community** we take pride in offering high-quality senior services to all our residents. From our award-winning home-cooked meals with fresh baked pies and bread in our inviting dining room to our professionally trained senior staff ready and willing to offer assistance, care, and help with activities of daily living – we are here to help create a home-like atmosphere.

At our location, we also offer ongoing health services such as weekly exercise programs, podiatrist services, scheduled transposition, and medication monitoring. Our goal is to provide quality services to all our residents so they can have a stress-free assisted living lifestyle.

Entertainment & Social Activities

Senior Living Choices Community continually promotes the social and entertainment activities on location and in the town of Curtis. At our building, we have educational programs, musical entertainment, arts and crafts, bingo, intergenerational activities and so much more. We truly do work to make life fun and interesting for our residents.

Assisted Living

Respite Care

As part of this support service, we also offer short-term respite care after illness, surgery, or aging issues. We are also available for Respite Care for family members who are the primary caregiver of a senior. Respite care to the community is available dependent on the availability of assisted living suites.
